D. Sir

Your favor of the 13th inst. is before me. Howe
a reference to the minutes of the Company I perceive
that the Commissioners last appointed reported a
distance of Four miles and an half completed in a
workmanlike manner. — I am now authorized to
inform you that there is a further distance of at
least One Mile completed. — Not having the leas
to advert to, and unwilling the interest of the Com
pany should suffer from any delay on my part,
I hope you will consider this letter sufficiently ex-
plicit to authorise the issuing of a new commission
for the inspection of the same — particularly as the
object of the resolution already transmitted to you
cannot be misunderstood.

Very respectfully &c.
